© Dave Palley 2012, (in D, play C, capo 2)

Chorus:

C G
 Feed, pet, and play with my animals

C
 I feed and play with my pets.

G
 I love my dogs, my horses too

F G C
 And yooooooooooooooooooooou are the best that it gets.

G C
 My young dog's a frisky playmate

G C
 With bouncy step and silky ears.

F C
 My old dog barks and keeps us safe

D G
 Though he's getting on up in years.

G C
 It's said that the outside of a horse

G C
 Is good for what's inside a man.

F C
 I love to groom and to feed them

D G
 And to ride them those days we can.

G C
 The dogs hang around, their tails wagging.

G C
 The horses' independence is real.

F C
 You and I work at it daily;

D G
 It depends on the way that we feel.

G C
 Yes, you are my favorite animal

G C
 You are warm, friendly and kind.

F C
 Together we eat, together we pet,

D G
 And when we play we have a good time.
